Let's Talk about it

The next book discussion for the *Growing Older, Growing Wiser* theme is "The Memory of Old Jack" by Wendell Berry and will take place on Saturday, January 15, 2022, at 1 pm in the conference room at the library. Copies of the book are available now at the library.

Book Club – The next meeting is January 19th and the book is "The Dictionary of Lost Words" by Pip Williams.

An Update on the Overdrive App

The Overdrive app will no longer be available for download to your device as of February 2022. New users looking for the Overdrive app after that date will be directed to the Libby app which will eventually replace Overdrive. Current users of the Overdrive app can continue to use the app for the time being. We'll provide updates when more information is available.

All users can continue to use, borrow, and open titles from our library's Overdrive website via a browser.

Coming Soon for Children and Young Adults (up to age 17)

We will soon have tablets and laptops available for children and young adults to use. Watch for updates on our Facebook page and on our website later this month.

We have a lot of new items on our shelves! – to see a full list of the newest monthly additions on our website, click on “E-Library” at the top of the page and then select “New & Upcoming Items”. We also post new items on FB and have the lists printed out at the library. You can place a hold on Valnet or call us to reserve an item for you.
